

FIREFIGHTERS & FIRE OFFICERS SURVIVAL PROGRAM

Not... EVERYONE Goes Home!

Chief Billy Goldfeder

Chief Billy Goldfeder

EFO, a firefighter since 1973, serves as Deputy Fire Chief of the Loveland-Symmes FD in S.W. Ohio. LSFD is an ISO Class 2, full service ALS department providing a full range of traditional and non-traditional emergency & community services.

A Chief Officer since 1982, he has served as a Fire Chief in Ohio, Virginia and Florida. Chief also served as a Public Protection representative covering southern New York, for I.S.O. as well as a Company Officer, starting with the Manhasset-Lakeville F.D., in Long Island, N.Y.

Chief Billy Goldfeder will present to the attendees, through video, audio and "WAKE UP" lecture, an in-depth review of specific and very recent and timely fireground events and most specifically, the LESSONS LEARNED so that these incidents (and those involved) don't ever become forgotten. This very personal, high energy DIRECT AND FRANK class (updated regularly to assure timeliness) that is professionally and respectfully presented, provides the attendees an excellent opportunity to apply the LESSONS LEARNED to their own departments...and themselves, when returning home...potentially avoiding "history tragically repeating itself."

The goal of this class is to have attendees leave more knowledgeable, educated and informed but most importantly THINKING HARD about their role and their department's responsibility in FIRE and RESCUE operations....to themselves and their families. These "LESSONS LEARNED" and related CASE STUDIES will help insure that similar problems are not repeated again-at YOUR DEPARTMENT.

Not.... EVERYONE Goes Home! Some firefighters do and some don't... this seminar will help you understand WHY... and why it is so important to think about: Who is in YOUR wallet?
